Winning Numbers: 8/31/2010

Mega Millions drawings are held Tuesday and Friday at 11:00 p.m. Five balls are drawn from a set of balls numbered 1 through 56; one ball is drawn from a set of balls numbered 1 through 46. You win if the numbers on one row of your ticket match the numbers of the balls drawn on that date. There are nine ways to win a prize, from \$2 to the jackpot. If no one wins the jackpot, the money is added to the jackpot for the next drawing. Overall chances of winning a prize are 1 in 40.
